

ATTITUDE OF GRATITUDE  
CAMPAIGN

Dear \_\_\_\_\_,

**God's View of America:** America may fall short on many moral issues, but thinking about what God sees when he looks down at America from his throne in heaven, one thing stands out.

What is the greatest thing God has ever done for us? What is the greatest miracle the world has ever seen performed? The answer, of course, is Jesus' crucifixion and resurrection, and Jesus' promise that he will bring us with him to his heavenly home if we will only believe in him and obey his commandments.

While on earth, Jesus gave us the sacrament of communion so we could always remember his sacrifice for us. And the apostle Paul has warned us to treat this sacrament as very sacred: "Whoever, therefore, eats the bread or drinks the cup of the Lord in an unworthy manner will be guilty of profaning the body and blood of the Lord" (1 Corinthians 11:27).

All across America every week there are churches which, when celebrating communion, proudly and brazenly include among the participants unrepentant homosexuals, lesbians and others from the LGBTQ spectrum of perversions. In many cases, those serving the elements are themselves "proud" LGBTQ participants. *America has become the world leader in profaning the body and blood of the Lord Jesus Christ.*

God is very patient with America, but how long can this go on? How long? We at the Attitude of Gratitude Campaign hope all Americans—but especially Christians celebrating communion—will show their gratitude to God by repenting and promising to obey his commandments.

Sincerely, *I beg you to take this seriously.*  
*Alan*
